By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Originally established in 1876 as a small school house. Dehesa Elementary School has experienced numerous transformations, innovations and expansions while continuing to embrace its century old history. My name is Elizabeth Carzoli and as principal, I am committed to ensuring that students have a safe and nurturing learning environment, high quality instruction, access to technology and relevant learning opportunities that prepare our students to be lifelong learners. Our teachers, staff and parents are committed to the core values that serve as the foundation upon which we execute our mission, which is to integrate science, technology, math, and the arts across all content areas while providing the appropriate platforms and social emotional supports for every child to be a successful learner.

School Description and Mission Statement (School Year 2023–24)

Dehesa School District is a one-school district, located in El Cajon, California in what was once known as the Upper Sweetwater Valley. The second oldest school in San Diego County, Dehesa School was established on April 4, 1876 with approximately a dozen local children in a 16'X14' one-room schoolhouse. As the number of students grew, a succession of one room schools followed. Since then Dehesa School has added a state of the art, two story, six classroom building that includes a new science lab, locker rooms, a conference room and two new sets of bathrooms. Dehesa School is a K-8 school with small class sizes for student success.

Dehesa School District strives to build long-term relationships with families and community. Together, we are committed to providing a nurturing, inspiring and rigorous educational program for all students. Dehesa School is proud to employ highly qualified teachers, and inspiring support staff. Our school exemplifies the dynamic collaboration of strong leadership, community partnership, student achievement and inspired teaching.

The school offers alternative choices through site-based learning, independent

study, and distance learning to enable students to acquire the knowledge necessary to make a difference in their lives. The school provides a diverse, student-centered environment in which all students are held to high academic and behavioral standards. The school also emphasizes increased parental involvement, more one-on-one teacher and student interaction, student-driven participation in the learning process, technology access, varied learning environments, and choices in curriculum programs. Through a personalized learning approach to education, the school strives to develop students who are competent, self-motivated, life-long learners.

Dehesa School prides itself offering low class sizes and innovation engagement opportunities for pupils, including 1:1 laptops for students in Transitional Kindergarten, and Kindergarten through eighth grade, monthly digital citizenship lessons; Lego engineering; and robotics for all students. Additionally, as a part of improving school culture, we utilize MTSS and PBIS programs designed to develop the characteristics of responsibility, trustworthiness, citizenship, caring, fairness, and respect; monthly award assemblies, attendance incentives; and after school enrichment classes.

Dehesa's Mission Statement:

Dehesa school provides a challenging curriculum and equips each student with the tools necessary to excel academically, socially, emotionally and culturally in a competitive world as a lifelong learner.

We believe in:

- safe, secure environments that foster confident and engaged learners.
- consistency and fairness that creates equality for all.
- respect, kindness, honesty, and integrity as a foundation for building trust, and friendship.
- striving to produce quality work with attention to detail that leads to success.
- challenging a child's mind to enable him/her to achieve their greatest potential.
- a genuinely caring staff who has the power to create opportunities for all children to learn.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	7.00	100.00%	232.00	55.47%	228366.10	83.12%

Total Teaching Positions	7.00	100.00%	418.20	100.00%	274759.10	100.00%

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	23%	19%	34%	35%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Dehesa Elementary believes it is important to provide family and community engagement opportunities to support and improve student achievement and to promote a positive school climate. Dehesa has many opportunities for Parental Involvement. Parents are encouraged to volunteer for our schoolwide events and in

the classroom when needed. Every 1st Friday of the month families are encouraged to come on campus for coffee/hot chocolate, participate in the morning walk and assembly and accompany their student to their class. All parents are invited to join our Safety Committee or School Site Council.

State Priority: Pupil Engagement

School Safety Plan (School Year 2023–24)

Dehesa Elementary has a comprehensive Safety School Plan which our staff updates and reviews annually. It was last Board Approved on February 15, 2023. The next review and Board approval is set for February 21, 2024. It is based on the California Standardized Emergency Management System (SEMS) to centralize and coordinate emergency response through the use of standardized terminology and processes. The school has developed a safety committee to assist with continually improving the safety of the site and the needed improvements in the areas of general safety and disaster preparedness.

Professional Development

Ensure teachers have been trained, and receive support, to implement new curriculum and programs, provide high quality instruction and personalized learning, and in how to differentiate to meet the needs of specific student groups such as services for unduplicated students. This also includes technology training, appropriate training for maintenance and operations; transportation, nutrition, business and paraprofessional training. High quality PD includes collaboration time to practice and analyze strategies learned.
