

In light of school closures, it is important that we continue finding ways to support our students.

Below are the food service sites confirmed by the San Diego County Office of Education, where students will be provided meals during the school closures beginning March 16.

The Food Service Dept. will be conducting a drive-thru/walk-up distribution of packaged prepared food. Children will need to be present to receive meals, and each child 18 years and younger can take one lunch and one breakfast for the next day. There will be no congregate feeding. All food will be consumed off site. Meal distribution times for all locations are from 11 a.m. to 1 p.m.
