**REQUEST FOR STUDENT TO HAVE
A CELL PHONE ON CAMPUS**

I would like my child, _____, grade _____, to have his/her cell phone at school. My child and I both agree to the following conditions:

- The school is in no way responsible for the safekeeping of cell phones. The parent assumes all liability for the phone's loss or breakage.
- If a parent or student's numbers change a new form needs to be completed.

My child and I both have read, discussed, and understand the following rules regarding cell phone use:

- Cell phones will remain in backpacks or purses at ALL times. (*Dehesa will begin using the new implementation of the cell phone pouches this year).
- Teachers may request students to place their cell phones in a designated classroom container during school days.
- Cell phones will be turned off, not receiving incoming calls/messages.
- Students may not use cell phones at school, without permission and supervision from their teacher or a staff member.
- Students may not use cell phones on the bus at any time.
- Students may not allow other students to use their cell phone.
- All rules regarding cell phones apply to after school activities and field trips.

My child and I understand that the phone may be confiscated by any school staff member for any infraction of the rules, or if the phone becomes a distraction at school. We also understand the consequences of cell phone infractions:

- **First infraction-** the phone will be confiscated and stored in the teacher's classroom for the remainder of the day and given back to the child after school. A parent will be notified by the teacher.
- **Second infraction-** the phone will be confiscated and stored in the office for the remainder of the day and must be picked up by a parent.
- **Third infraction-** the student will lose all cell phone privileges for the rest of the school year. Phones will either need to remain at home or arrangements can be made to have the phone checked in daily and stored in the office or with their teacher (as decided/agreed upon).
